#### Annual Report of the Parochial Church Council

for the year ended 31 December 2017

#### Introduction

The Parochial Church Council (PCC) of Holy Trinity and Christ Church Richmond submits its report and the financial statements of the PCC for the year ended 31 December 2017. The financial statements have been prepared in the format prescribed by the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP2015 (FRS102)) and the Financial Reporting Standard 102.

#### Administrative information

Vicar:

Holy Trinity is situated on Sheen Park, Richmond, Surrey. It is an Anglican (Church of England) Church which is part of the Kingston Episcopal Area of the Diocese of Southwark. The correspondence address is:

The Parish Office, Holy Trinity Church Centre, Sheen Park, Richmond, Surrey, TW9 1UP

Under the terms of Section 3 of the Parochial Church Council (Powers) Measure 1956 the PCC is a body corporate and as of 15 May 2009 has been a charity registered with the Charity Commission as required by the Charities Act 2011.

#### Structure, governance and management

Members of the PCC are either ex officio or elected by the Annual Parochial Church Meeting (APCM) in accordance with the Church Representation Rules. All regular Church attendees are encouraged to register to be on the Electoral Roll and stand for election to the PCC. The most recent APCM was held on 30 April 2017, referred to below as APCM 2017. Any member of the Church who is on the Electoral Roll can be nominated for election to the PCC in accordance with the Church Representation Rules. Normally a balance of new and established members is elected each year, and if necessary members are co-opted where they have a particular expertise. There are a number of established sub-committees and groups which meet between the full meetings of the PCC. These include:

- the Standing Committee, which has power to transact business of the PCC between its meetings, subject to any directions given and within financial limits set by the PCC, and which oversees the financial direction of the church by monitoring income and expenditure;
- the Mission Group, which oversees the church's mission involvement, and ensures that recommendations on giving are in accordance with the mission support policy;
- the Buildings Committee, which is responsible for all matters relating to health and safety, maintenance and general upkeep of Holy Trinity Church Centre;
- o a number of other groups which have responsibility for various aspects of the church's pastoral work and other activities, and which report to the PCC on a periodic basis;
- Key Management Personnel those in charge of directing, controlling, running and operating the PCC (the Charity) on a day to day basis are the members of the Standing Committee; they are the Vicar (Trevor Patterson, (until October 2017)), two Churchwardens (Mark Lambert and David Ewart), Treasurer (Mark Johnston) and Curate (Alwyn Webb) together with the Operations Manager (Keith Nurse) who, although not a member of the Standing Committee, attends its meetings. The only PCC employee to be considered a key manager is the Operations Manager.

#### **Induction & Training**

The induction process for any church member newly-appointed to the PCC currently comprises briefing by the Operations Manager (Secretary of the PCC) and receipt of copies of the minutes from the most recent meeting. The PCC Secretary also provides a copy of the most recent financial statements, and guidelines on the obligations of PCC members (the Charity Commission's guidance 'The Essential Trustee'). The PCC is committed to maintaining high standards of governance and financial management in accordance with current developments in church and charity regulation and good practice, and to this end aspires to provide training opportunities to PCC members as appropriate.

#### **Risk Management**

The PCC continues to consider and discuss the key risks facing the church, the controls in place to mitigate them and any action required. The PCC continues to review and develop the strategic direction of the church, and considers how its exposure to risk changes as a result. Members of the PCC are aware of the potential risks (both financial and otherwise) that might occur either in the church or in the Church Centre. They have taken appropriate action to control and minimise these risks.

#### **Objectives**

Holy Trinity and Christ Church PCC, Richmond has responsibility for co-operating with the Vicar, in promoting in the parish the whole mission of the church, evangelistic, pastoral, social and ecumenical. Holy Trinity is a church with an open door, reaching out with God's love and power and helping one another live for Jesus. The PCC also has maintenance responsibilities for Holy Trinity Church Centre.

The PCC met six times during 2017. The issues it covered included the following:

- o our church's vision, including priorities for 2017, their financial consequences and plans for the longer term;
- the condition and security of our church premises, including the need for repair work (especially to the main church roof, other roofs and stonework) and the possibility of refreshment and further development of our premises and site;
- o further developing ministry within and beyond our church community;
- o managing finances, including both in-year monitoring and budgeting for the coming year;
- filling gaps in the suite of policies and procedured that need to be in place to ensure good governance and operating practices;
- o the appointment of new paid staff team members and interns;
- o a variety of other pastoral and practical issues affecting the life of the Church

#### Vicar

Our Vicar, Trevor Patterson, died suddenly and unexpectedly in October 2017, aged only 57. His Thanksgiving Service was attended by around 600 people, and was testimony to the huge impact of his life and ministry, not only through over 19 years at Holy Trinity but also in the local and wider community and overseas. His death was a devastating blow for our church, but there is a clear determination to press on with the ministry and mission that he inspired and led. The formal process for appointing a new Vicar began early in 2018.

#### Staff Team

A key factor in progressing the ministry and mission of the church is having a significant Staff Team that takes responsibility for particular aspects of this work, under the direction of the Vicar. Many of the Team also regularly preach at and lead Services, and all are actively involved across the life of the church. Some of their roles are full time and others part time, with not all being employees of the PCC:

 A Curate, Alwyn Webb, a member of Strategy Group and with responsibility for Men's Ministry. He also has significant involvement with pastoral work;

- A Licensed Lay Minister, Kate Patterson, a member of Strategy Group and with responsibility for Women's Ministry and Life Groups (with Trevor Patterson);
- o An Ordinand, Mark Anderson, who trained at St Mellitus College until June 2017 and had Holy Trinity as his placement
- A Pastoral Team Leader, Sheen Marx, who also carries out a significant amount of pastoral work and particularly supports the Wednesday Service community;
- A Worship Pastor, Nico Marais, responsible for leading the team of musicians and singers involved in Sunday Services, and also for developing prayer and worship across the whole of church life;
- A Youth and Children's Minister, Georges Kesrouani, responsible for leading youth and children's work across the church and with particular responsibility for young people from School Year 7 and upwards;
- A Children's Worker, Sue Jackson, responsible for work with pre-school children and their parents, and with children up to School Year 6;
- An Operations Manager, Keith Nurse, a member of Strategy Group and with responsibility for strategic issues and managing the business of PCC, Standing Committee and Strategy Group. He also acts as HR Manager;
- A Church Administrator, Joao Tavares, responsible for administration and running a very busy Office, including serving members of the public on Hall bookings and a wide range of other matters;
- A Worship Intern (Txaila Meyer until July 2017 and Hannah Helm from September 2017) and a Youth Intern (Abbie Robertson until July 2017), supporting ministry while receiving external and on the job training. Their appointment stemmed from the PCC's commitment to have interns to help with ministry;
- A Community Outreach Worker, Ellie Hughes, who leads Riverbank Trust, a charity birthed through Holy Trinity and still
  closely associated with it, working to support vulnerable single mums and their families.

#### Public Benefit and activities in 2017

The PCC has given due regard to the Charity Commission's guidance on public benefit:

- Sunday morning and evening Worship Services, and a more traditional Wednesday morning Service more suited to the needs of our older members;
- o Children's groups on Sunday mornings during the Service;
- o Refresh, a weekly Monday morning group for parents and pre-school children, meeting with a vision for friendship and community:
- Who Let The Dads Out?, a monthly Saturday morning group for Dads / male carers and children aged up to 8, with bouncy castles, toys and crafts for children, and bacon sandwiches and coffee for grown ups;
- o Glow, a fortnightly Friday evening group for children, attracting many from the local area;
- o Collide, a weekly Wednesday evening youth group focusing on community and discipleship;
- o The Alpha Course, run twice a year in 2017 (on Thursday evenings in the spring and autumn), providing an introduction to the Christian life:
- Life Groups, for Bible study, prayer, encouragement and mission, meeting weekly or fortnightly in homes in and beyond the parish. They include a Friday morning group for women and a Tuesday afternoon group for generally older people;
- Special days and evenings designed to equip leaders specifically and church members generally to lead and serve
  others within and beyond the life of the church. Strategy Group members also took part in a Church Growth Learning
  Community event (four two-day sessions in 2016 and 2017) designed to help churches grow;
- o Clubs, groups, learning support and pastoral care at Holy Trinity School and Christ's School;
- o A wide variety of informal weekly and monthly gatherings for prayer and worship;
- A wide variety of social activities designed to help build community among existing church members and encourage newcomers to feel more a part of the church;
- Working alongside other churches through street outreach, prayer and worship gatherings, and weekly meetings of leaders;
- o On-going financial support to local and overseas mission partners, including
  - Kick London (providing sport and life skills, underpinned by Christian values);
  - Wycliffe Bible Translators (Sarah Casson, formerly based at Shalom University in Bunia, DR Congo but studying in the UK during 2017);
  - Joe & Denny Fleming (Interserve; working as biochemists in Vellore, India until summer 2017);
  - Karis Kids (a Christian charity based in Kampala, Uganda, supporting orphaned children). A group also visited Karis Kids and our link church of St Peter's Wandegeya during the year to offer encouragement and ministry;
  - Riverbank Trust (supporting vulnerable single mothers and their families in the Richmond area);
  - Richmond Street Pastors (late night practical care for people on the streets of the town);
  - Urban Action Fund, helping churches to plant, especially in the inner city;
  - Open Doors, serving persecuted Christians and churches across the world
- o Trevor Patterson continued to serve as Area Dean of Richmond and Barnes Deanery. This significant role saw him providing pastoral support to other clergy, and working with others on organisational and management issues in the Area. This involved a significant time commitment which required other Staff Team members to take on additional responsibilities that he would previously have covered;
- o A group from Holy Trinity attended the annual Holy Trinity Brompton Network Churches' Focus Christian holiday / conference week (for adults and children) in the summer. Our link with the Network enriches our ministry in other ways, for example by providing training in church growth to Strategy Group members, and through advice and practical support on further church planting. Trevor and Kate Patterson also benefitted from and contributed to events specifically for church leaders:

- A Spring weekend away for men and an Autumn home-based weekend event for women, for encouragement, study, prayer and building community;
- A February weekend away for young people, several of whom also attended Soul Survivor, a national youth event held in the summer;
- A Community Outreach Worker and her team, closely linked to Holy Trinity Church, provided practical and spiritual support to vulnerable single mothers and their families through Riverbank Trust, in both the wider community and particularly through local schools;
- o Clergy, other Staff Team members and members of the congregation
  - undertook pastoral care through visits to the sick, bereaved, those to be baptised and those to be married;
  - took an active role in many aspects of Sunday and Wednesday Services;
  - carried out a vast range of tasks and activities behind the scenes that contributed to the smooth running of what is now a significantly-sized charity;
  - served as governors of our church schools, mentored pupils and helped with assemblies and other activities;
  - served locally through the ministry of Kick London;
  - served as Street Pastors in Richmond Town Centre;
  - were encouraged to take an active and serving role in their local community
- o We also run periodic marriage and parenting courses for the benefit of the local community as well as church members.

The Church Council recognises that so much of what takes place in the life of our church would not happen without the visionary, prayerful and selfless leadership provided by our leadership team, who inspire and give direction to what we do week by week. This is a demanding role, and on behalf of the whole congregation the Council would like to extend its heartfelt thanks to them for their work. Our church is an inspiring and supportive place to be as we journey together in our faith, and as we aim to be a church with an open door, reaching out with God's love and power, and helping one another live for Jesus.

We are working towards having a new Vicar in post in the autumn of 2018, following an appointment process laid down by the Church of England. In the meantime PCC and Standing Committee continue to meet, chaired by Mark Lambert in his role as Lay Vice Chair. Our Curate and Operations Manager meet weekly to discuss church matters of immediate concern, and to take any necessary action to ensure the smooth running of the church, keeping our Wardens informed. Our Staff Team members continue to lead significant areas of ministry, working alongside volunteer church leaders and helpers, aiming to maintain our groups and activities as fully as possible. It is customary during an interregnum not to make decisions that significantly affect the direction of a church or its ministry, and we have adopted this approach.

#### **Church Attendance & Community Services**

There were 163 parishioners on the Church Electoral Roll as at 31 December 2017, of whom 50 were resident within the parish. The average weekly church attendance, counted during the October 2017 Congregational Count and including those who attended at least one Service during the week, was 190 (135 adults and 55 children and young people)

	2017	2016
Community Services		
Marriages	0	2
Baptisms	5	3
Funeral and Thanksgiving Services at the church	1	6
Funerals at the Cemetery Chapel	4	3
Cremation Services	1	6

Funerals at the church mostly take place nowadays where a member of the congregation dies. Baptisms include adults as well as children.

#### Financial review

Total income (including restricted giving) was £24,811 higher than in 2016 (a 5.86% increase), with the increase being primarly in planned and one off giving, together with donations for the new Building Project.

Of the PCC's total income 89% (2016: 87%) comes directly from voluntary giving, primarily from church members - mostly as tax-efficient planned or one-off giving (Give As You Earn or Gift Aid donations). Without this level of giving the church could not support the current and planned level of activities.

Unrestricted Funds - Gross Income for the year increased by 1.7% to £391,129 while Expenditure increased by 2.9% to £381,626, resulting in Net Income of £9,503 (2016 £13,673), before the transfer from reserves.

Voluntary Income (encompassing planned and unplanned giving, and the associated tax reclaim) increased by 2.5% in the year (from £331,356 to £339,671).

Our Parish Support Fund contribution which is a payment to the Diocese of Southwark, (to cover the payroll and pension costs of the Vicar , Curate and the cost of the Vicarage), increased (following a decision by the PCC), year on year by 2.9% to £111,400 (2016 £108,250). The Parish Support Fund is based on principles of proportionality, informed generosity, and an aspiration and encouragement to parishes to become self-financing

Restricted Funds - During 2017 the PCC received a £1,000 one off donation towards the costs of a prospective church plant, a £500 donation towards equipment for Who Let the Dads Out and £11,613 towards the costs of the proposed building project.

Overall - The Statement of Financial Activities reflects overall net income for the year of £20,851. This primarily reflects the surplus on restricted funds.

Outlook - 2018 promises to be another challenging year, with a continuing high level of activity and increasing costs. The PCC is budgeting for a break even in the Unrestricted General Fund in the year.

As noted elsewhere, we are committed to addressing the remedial repairs required to the church roof and general stonework (to this end £10,000 was transferred to the Building Fund at the end of 2017).

#### Reserves policy

The PCC continues to work to raise awareness of the funding requirements and encourage our congregation to respond accordingly. In the mean time we carry Free Reserves of £61,215 (see table below) from 2017 to help cover any future deficit.

It is PCC policy to budget for our expenditure needs according to the amount of voluntary giving that the church expects to receive during the year. The PCC has examined the requirements for "free reserves", i.e. those unrestricted funds not invested in tangible fixed assets or set aside for known future commitments. The PCC considers that, as all income is used to further the ministry of the church, it is appropriate to keep free reserves, represented by the General Fund, at a minimum.

The PCC is of the opinion that proactive upfront fund raising and the provision for known future commitments provides sufficient flexibility to cover any temporary shortfalls in incoming resources and will allow the church to cope with and respond to unforeseen emergencies whilst specific action plans are implemented if required.

Free reserves	51,238	45,982
Less: designated funds	(144,999)	(140,399)
Less: restricted funds	(398,001)	(387,006)
Total reserves	594,238	573,386
	£	£
	2017	2016

#### **Investments policy**

Surplus funds are invested with the CCLA - CBF Church of England Deposit Fund which continues to offer security but very modest market rate of interest.

#### Grant making policy

On-going Outreach: The PCC's policy is to increase the outreach budget annually in support of local and overseas mission partners, subject to other commitments to invest in the growth of the church. This represents a long term commitment to several organisations.

Gift Day: The PCC decided that all of the Gift Day voluntary income, including the associated tax reclaims, should be given to the work of organisations separate from the PCC. This provides significant one-off support to a number of organisations. Other: Alongside these commitments, the PCC supports ministry across the Diocese through the Parish Support Fund, and by providing free office and meeting room space to Kick London and Riverbank Trust. Outside the church accounts, church members provide support to Karis Kids' families of well over £15,000 a year. Outreach, Gift Day and these additional initiatives together total support of over £100,000 a year.

#### **Plans For Future periods**

The PCC's short to medium term strategy is to make progress in the following areas:

- o Building a Team where everyone serves actively, refreshing our Life Groups, and equipping our members to reach out to others
- o The repairs to the church roof and other parts of the church and church centre structure and plant which are showing increasing signs of the need for such repairs, together with refreshing and further development to support existing and future needs, refered to as "the Building Poject".
- o Continuing to plan for the process of a future church plant.

Clearly the PCC will need to review its strategy in consultation with the new Vicar when appointed

#### PCC Responsibilities in relation to the Financial Statements

The PCC is responsible for all parish finance, its management and control, including the appointment of a treasurer. While it may delegate some of its duties, this does not remove its legal responsibilities. Charity law requires the PCC as trustees of the Church to prepare an annual report and financial statements for each financial year that give a true and fair view of the Church's financial activities during the year and of its financial position at the end of the year. The PCC is also required to ensure that these are subjected to an annual independent examination or audit (as appropriate) and to present these to the Annual Parochial Church Meeting in accordance with the Church Representation Rules. In preparing these financial statements, the PCC is required to:

- o Select suitable accounting policies and then apply them consistently;
- o Make judgements and estimates that are reasonable and prudent;
- o State whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- o Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The PCC is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Church and enable them to ensure that the financial statements comply with the Charities Act 2011 and applicable accounting standards. They are also responsible for safeguarding the assets of the Church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

These accounts were approved by the PCC on 19th March 2018.
The attached accounts on pages 10 to 22 were adopted by the Annual Parochial Church Meeting on 29th April 2018.
Lay Vice Chair of the PCC, for the PCC

#### Independent Examiner's Report to the Parochial Church Council

I report on the accounts of the PCC for the year ended 31st December 2017 set out on pages 11 to 22.

This report is made solely to the PCC in accordance with section 145 of the Charities Act 2011 (the Act). My independent examination has been undertaken so that I might state to the PCC those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by the law, I do not accept responsibility to anyone other than the PCC for my independent examination, for this report, or the opinions I have formed. The PCC's gross income exceeds £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

#### Respective Responsibilities of the PCC and the Examiner

As the trustee of the Parish's property, the PCC is responsible for the preparation of the accounts. The PCC considers that an audit is not required for this year (under section 144(2) of the Charities Act 2011) and that an independent examination is needed.

It is my responsibility to:

- o Examine the accounts (under section 145 of the Act);
- o Follow the procedures laid down in the General Direction given by the Charity Commission (under section 145(5)(b) of the Act); and
- o To state whether particular matters have come to my attention.

#### **Basis of my Report**

My examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the PCC concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

#### **Independent Examiner's Statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

19th March 2018

#### Notes to the financial statements for the year ended 31st December 2017

#### 1. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### **Basis Of Accounting**

The financial statements have been prepared under the Charities Act 2011 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102). The financial statements are drawn up on the historical cost basis of accounting except for the revaluation of freehold land and buildings which are shown at market value.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe an affiliation to another body or those that are informal gatherings of church members.

The PCC meets the definition of a public benefit entity under FRS 102.

#### **Going Concern**

There are no material uncertainties about the PCC's ability to continue as a going concern and accordingly the accounts have been drawn up on a going concern basis.

#### Income recognition

Voluntary income and donations (including legacies) are accounted for once the Charity has entitlement to the income, it is probable the income will be received and the amount of income receivable can be reliably measured. Income from the recovery of tax on gift aided donations is accounted for in the period to which the relevant donation is received. Grant income is recognised on a receivable basis.

The income from trading activities includes rental income from the letting of church premises and freehold land and buildings which is accounted for when earned. It is shown gross, with the associated costs included in fundraising costs.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

#### **Expenditure recognition**

Expenditure is accrued as soon as a liability is considered probable, and the amount of obligation can be measured reliably. Longer term liabilities are discounted to present value.

Expenditure included in Raising Funds includes amounts incurred in obtaining grants and other donations and property maintenance costs.

Charitable expenditure includes those costs in fulfilling the PCC's principal objects, as outlined in the Report of the PCC. These include grants made, governance costs and an apportionment of support costs. Governance costs comprise all costs involving the public accountability of the PCC and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees.

The PCC is not registered for VAT and accordingly expenditure includes VAT incurred where appropriate.

The PCC contributes to certain employees' personal pension plans. These are defined contribution schemes, the assets of which are held separately from those of the PCC. The cost in the accounts is the amount of contributions paid and payable during the year.

Rentals under operating leases are charged as incurred over the term of the lease.

#### **Tangible Fixed Assets**

#### Consecrated Property and Moveable Church Furnishings

Consecrated land and benefice property such as the church building and vicarage is excluded from the accounts in accordance with s10 of the Charities Act 2011. Moveable church contents are held by the vicar and churchwardens on special trust for the PCC and require a faculty for disposal, and are accounted as inalienable property unless consecrated. All expenditure incurred on consecrated or benefice buildings and moveable church furnishings, whether maintenance or improvement, is expensed within the Statement of Financial Activities.

#### Leasehold buildings

The leasehold property was originally capitalised at cost. It is the church's policy to revalue the property on a 3 yearly basis. A revaluation took place as at 31 December 2017 and the next revaluation will take place on 31 December 2020. The PCC as trustees do not believe that the charging of annual depreciation on the revalued amount would add to the better understanding of the financial position of the PCC and accordingly no depreciation has been charged.

#### Other Fixtures, Fittings & Office Equipment

Historically the cost of furniture, fittings and equipment has been expensed.

#### **Debtors**

Debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

#### Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

#### **Creditors and provisions**

Creditors and provisions are recognised where the PCC has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

#### **Fund accounting**

The funds held by the PCC are either:

Unrestricted general funds - these are funds which can be used in accordance with the PCC objects at the discretion of the PCC, or:

Restricted funds - these are funds that can only be used for particular restricted purposes within the objects of the PCC. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

A brief description of the different types of funds held by the church are detailed in notes 9 & 10. Where appropriate, the PCC will set up a designated fund in anticipation of future commitments and a transfer is made from the General Fund. Where the prospective commitments crystallise transfers are made from the designated fund to the General Fund.

In April 2015 the PCC introduced a defined contribution pension arrangement for staff it employs. The arrangements meet the requirements of Workplace Pensions, which the government has been introducing in stages since October 2012. The PCC was obliged to have its arrangements in place by 1 August 2016, but decided to introduce them earlier. The PCC matches employee contributions up to a certain level, and the arrangements are slightly more generous than the statutory requirement. The PCC is using The People's Pension as its pension provider.

Key Management Personnel. No member of the Standing Committee received any expenses in this or their role as PCC members, although the Clergy members receive expenses as set out in the Diocese of Southwark's guidance. Salaries and Wages include payments totalling £16,775 (£16,500: 2016) to Keith Nurse, our Operations Manager & PCC Secretary (based on 0.56 Full time equivalent of a senior Staff team member).

Youth & Children's Minister's Housing Fund: Was created In 2007 as the result of a fund raising campaign, the Sparrow Project, with a view to purchasing a residential property for the Youth & Children's Minister. The purchase was funded by a mix of one off donations, donations made over a number of years and some interest free loans. The leasehold flat, purchased on 3 August 2007, is conveniently located near to the Church. By December 2012 all loans were repaid. In accordance with our Accounting Policy, any adjustment to the carrying value of the PCC's leasehold property as a result of the tri-annual impairment review is shown as a recognised gain or loss against this Fund.
