

Gift Day 2020

Each June we have a Gift Day, which is an opportunity to support ministry and mission outside our parish. In 2020 we are supporting our 'fabulous four' ministries that are close to our hearts at HTR. Each of these organisations have been affected by the coronavirus pandemic and have specific challenges and new opportunities before them. All money given to Gift Day has been split evenly between the fabulous four. The Fabulous Four are:

- **Riverbank Trust** who provide supportive and loving community for vulnerable single mothers and their families.
- **LVA Trust** who teach relationship and sex education in schools and other youth settings, with the aim of encouraging positive self-esteem and healthy relationships.
- **Kick** who work in schools and other settings to transform young people's lives with God's love through sport and support.
- **Karis Kids** who work with orphans and children trapped in poverty in Kampala in Uganda to provide them with families and a future.

Thank you!

Thank you to everyone who contributed to Gift Day 2020, we raised a total of nearly £40,000! This is a staggering amount and your generosity and obedience has significantly helped each of the four charities in their work to continue advancing the kingdom of God.
